Leasing and Value Enhancement Activities

Ichigo Office REIT is working to increase the value of portfolio assets by raising their market recognition and competitiveness via stronger branding. As one example of this branding activity, Ichigo Office REIT is installing highly visible Ichigo signage on prominent buildings. Ichigo has completed this signage installation on eight buildings that were acquired this past May. Ichigo Office REIT is also changing building names to “Ichigo” as announced in the October 9, 2015 and November 20, 2015 releases.
