Establishment of Ichigo Green Infrastructure Fund

Ichigo Real Estate Investment Advisors Co., Ltd. (“IRE”), the asset management company of Ichigo Office REIT, has decided to establish and list a new infrastructure fund, the Ichigo Green Infrastructure Investment Corporation (“Ichigo Green Infrastructure Fund”), on the Tokyo Stock Exchange’s Infrastructure Fund Market and file a report as the organizer to the Commissioner of the Financial Services Agency (FSA) in accordance with Article 31 Paragraph 3 of the Financial Instruments and Exchange Law and Article 21 of the Cabinet Office Ordinance Concerning Financial Instrument Services Business.¹

¹ The establishment and listing of the Ichigo Green Infrastructure Fund is subject to approval by relevant authorities and the Tokyo Stock Exchange.

1. Objective

With its entry into the listed green infrastructure market, IRE is seeking to maximize shareholder value by bringing together the solar power plant operating expertise of its parent, Ichigo Inc. (2337), and IRE’s track record as a REIT asset manager.

With the support of Ichigo Inc. as REIT sponsor, IRE currently manages two J-REITs, Ichigo Office REIT (8975) and Ichigo Hotel REIT (3463). The Ichigo Green Infrastructure Fund will thus be IRE’s third publicly-listed investment management vehicle and will focus on solar power plant investments, offering shareholders an opportunity to invest in the rapidly expanding green infrastructure asset class while contributing to the development of Japan’s capital markets.

Ichigo Office REIT and the Ichigo Green Infrastructure Fund have different investment targets and investment criteria. Nevertheless, to manage and prevent any potential conflicts of interest among the various funds that IRE advises, IRE is amending its internal regulations concerning the handling of real estate-related information effective today.

Details of IRE's information handling rules are as follows:

- (a) Should IRE obtain information about a potential asset acquisition ("Lead"), the Acquisitions & Sales Division shall conduct a preliminary assessment to determine whether to proceed with the Lead.
- (b) Rotation Rule
 - (i) A Lead that passes the preliminary assessment shall be shared with the President, Office REIT Division Head, Hotel REIT Division Head, Green Infrastructure Division Head, Private Funds Division Head, and Acquisitions & Sales Division Head at the Pipeline Committee.
