Explanation of Changes

Whereas occupancy decreased for Central Tokyo and Other due to lease terminations at Axior Mita and lower occupancy at Ichigo Serviced Apartments Takanawadai, occupancy increased for Tokyo Metropolitan Area and Four Major Regional Cities due to new tenants at Ichigo Eitai Building and Ichigo Marunouchi Building.

The acquisition of Ichigo Shibuya Udagawacho Building completed on November 2, 2016. For details, please refer to the October 14, 2016 release “Office Asset Acquisition (Ichigo Shibuya Udagawacho Building).”

Value-Add Actions

As part of its Ichigo Entrance Branding Project, Ichigo Office REIT is creating Ichigo-unique entrances that offer a sense of hospitality to tenants and visitors. This includes decorating Ichigo office buildings with seasonal decorations such as holiday ornaments and New Year's greetings. With the growing popularity of Halloween as a seasonal event in Japan, from this year Ichigo Office REIT started decorating office entrances with Halloween ornaments.

Ichigo Office REIT will continue to drive efforts such as these to deliver on the Ichigo brand's commitment to quality and service to tenants.
