Explanation of Changes

Value-Add Actions

In response to growing tenant demand for higher-quality offices as tenants seek more productive work environments and compete for talent, Ichigo Office has launched a new tenant service, Ichigo Lounge. Ichigo Lounge offers attractive shared-use spaces equipped with smart key-enabled receptions and meeting areas for the exclusive use of tenants. The first Ichigo Lounge has been completed at the Ichigo Higashi Ikebukuro Building, and Ichigo Office is focusing its leasing activities on companies seeking higher-quality spaces, such as IT startups and large companies with satellite offices.

Ichigo Office will continue to carry out value-add capex to increase tenant satisfaction and drive higher earnings for shareholders.
