Investing for Growth in Shareholder Value

Acquisition: Win Gotanda Building 2 (O-89)

5th Acquisition in Gotanda, Central Tokyo Area Seeing Strong Demand

Asset Overview

Acquisition Price	JPY 3.30B
Appraisal Value	JPY 3.48B
NOI Yield	4.7%
Asset Type	Office
Location	4-1-12 Osaki, Shinagawa-ku, Tokyo
Leasable Area	3,433.16m ²
Structure	SRC/RC B1F/9F
Date Built	March 1993
Occupancy	100% (as of 2018/3/31)

Location and Features

- A mid-size office building located within a 5-minute walk from Gotanda Station on the JR Yamanote Line, the Toei Subway Asakusa Line, and the Tokyu Ikegami Line, and immediately adjacent to Osaki Hirokoji Station on the Tokyu Ikegami Line.
- A growing number of IT start-ups have moved into Gotanda in recent years because of relatively lower rents relative to Shibuya and Ebisu and the availability of many office buildings in close proximity to the train station.
- Each floor has a standard floor plate of 120 tsubo (396m²) with ceiling heights of 2.6m, and is equipped with individual air conditioning units and raised access floors, therefore catering to the demands of diverse tenants.
- The first floor is occupied by a convenience store and the upper floors are occupied by office tenants, including telecommunications companies and building management companies.

Acquisition: MIF Building (O-90)

Location and Features

- A mid-size office building located within a 4-minute walk from Otemachi Station on the Marunouchi Line and a 6-minute walk from Kanda Station on the JR Yamanote Line.
- As a secondary market to the major Otemachi and Marunouchi business areas, Uchikanda offers a combination of smooth and convenient access at reasonable rents, thus catering to a diverse range of tenants.
- Each floor has a standard floor plate of 80 tsubo (264m²) and is shaped in such a way that it can accommodate a variety of layouts. Each floor is also equipped with individual air conditioning units and raised access floors, therefore catering to the demands of diverse tenants.
- A convenience store occupies the first floor and the upper floors are occupied by office tenants including media, pharmaceutical, and manufacturing companies.

Notes

p. 4 Calculations
