DBJ Green Building
2018 

2. DBJ Assessment

In awarding this certification, DBJ cited the following:

- (1) The Win Gotanda Building's convenient location within a 3-minute walk from Gotanda station on the JR, Toei Subway, and Tokyu lines, makes it ideal for mid-size offices.
- (2) The building achieves a high level of energy efficiency through its zoned air conditioning system.
- (3) In addition to installing emergency reserve power supply beyond legal requirements, the building cooperates with authorities to designate space for storing flood prevention sandbags on premises.

3. DBJ Green Building Certification Overview

Based on its comprehensive evaluation system, which includes not only environmental factors but also social ones, such as whether the building is serving the needs of its diverse stakeholders, DBJ identifies and certifies Green Buildings which fully meet these environmental and societal needs, and ranks them from five stars to one star.
