Explanation of Changes

Occupancy decreased for Office, Central Tokyo, and Four Major Regional Cities due to departing tenants at the Ichigo Nishisando Building, Ichigo Nagoya Building, Ichigo Sakaisuji Honmachi Building, and Ichigo Sakae Building, and decreased for Other and Tokyo Metropolitan Area due to a departing tenant at Twicere Yokohama Isogo (Retail Section). Ichigo Office will work towards a rapid lease-up of the spaces.

Value-Add Actions

As part of its ongoing value-add capex to drive higher tenant functionality and satisfaction, Ichigo Office renovated the building façade and entrance of the Ichigo Hakata East Building. After acquiring the building last May, Ichigo Office has been re-tenanting at higher rents, along with agreeing with tenants with below-market rents to match to current market rents, and expects to further drive earnings via the recent renovations.

Ichigo Office will continue to carry out value-add capex tailored to tenant needs to increase tenant functionality and satisfaction and drive higher earnings for shareholders.
