Explanation of Changes

Occupancy decreased for Office, Central Tokyo, Tokyo Metropolitan Area, and Four Major Regional Cities due to departing tenants at the Ichigo Shinkawa Building, Ichigo Eitai Building, Ichigo Marunouchi Building, and Ichigo Nishiki First Building. Ichigo Office will work towards a rapid lease-up of the spaces. Occupancy increased for Other Regional Cities due to a new tenant at the Ichigo Toyama Eki Nishi Building.

Value-Add Actions

Ichigo Office fully resumed leasing in June after temporarily limiting activities due to Covid-19. On the back of continued strong demand for larger floor spaces and tenants moving to different buildings for larger floor spaces, the Ichigo Hatchobori Building and Ichigo Omiya Building have attracted new tenants seeking to diversify their office locations and open satellite offices as part of BCP and social distancing measures.

Ichigo Office will continue to cater to diversifying tenant needs, increasing tenant functionality and satisfaction and driving continued high occupancy.
