### Explanation of Changes

Occupancy decreased for Office, Central Tokyo, and Four Major Regional Cities due to departing tenants at the Ichigo Jingumae Building, Ichigo Uchikanda Building, and Ichigo Nishiki Building. Ichigo Office will work towards a rapid lease-up of the spaces.

### Value-Add Actions

As part of its ongoing value-add capex to drive higher tenant functionality and satisfaction, Ichigo Office has been carrying out a floor-by-floor renovation of the Ichigo Nogizaka Building. It recently completed the basement floor common areas, including the restrooms, elevator hall, and hallways, converting part of the space into a compact tenant lounge called Ichigo Lounge mini with counter space and a food vending machine.

Ichigo Office will continue to cater to diversifying tenant needs, increasing tenant functionality and satisfaction and driving continued high occupancy.
