## Explanation of Changes

Occupancy increased for Office and Central Tokyo due to new tenants at buildings including the Ichigo Hakozaki Building, Ichigo Kanda Nishikicho Building, and Ichigo Higashi Gotanda Building.

## ESG Initiatives Toward a Sustainable Society

Ichigo Office and its sponsor, Ichigo, are dedicated to making the world more sustainable. In line with this mission, Ichigo joined RE100, a global initiative to accelerate the transition of electricity used by businesses to 100% renewable energy, and is targeting sourcing 100% renewable electricity across its operations by 2025. Ichigo Office is working to transition all of its assets (73 assets, excluding partially-owned assets) to renewable electricity by April 2022. As of December 31, 2021, Ichigo Office has completed transitioning 65 assets, reducing CO2 emissions by 19,622 tons, an 89% reduction compared to 2019.

Ichigo Office will continue to work towards realizing a net zero carbon society by reducing energy consumption and CO2 emissions.

## About RE100

[RE100](#) is a global initiative bringing together the world's most influential businesses driving the transition to 100% renewable electricity, with the aim of achieving a net-zero carbon society. Led by the [Climate Group](#) in partnership with [CDP](#), the group operates in a diverse range of sectors, and together, sends a powerful signal to markets and governments to accelerate the transition to a clean economy.
