### Explanation of Changes

Although occupancy decreased for Central Tokyo and Office due to departing tenants at the Ichigo Shibuya East Building and Ichigo Nogizaka Building, occupancy increased for Tokyo Metropolitan Area due to new tenants at the Ichigo Kinshicho South Building and Ichigo Higashi Ikebukuro 3 Chome Building. Ichigo Office is working towards the rapid lease-ups of the vacant spaces.

### Actions Driving Tenant Satisfaction and Earnings

As part of its efforts to increase tenant satisfaction and drive earnings via value-add capex, Ichigo Office recently completed renovating the common areas, including the pantries and restrooms, at the Ichigo Kinshicho South Building acquired in October 2023, and created bright, clean, and comfortable spaces for tenants and visitors to refresh. After completing the renovations, Ichigo Office successfully leased up a 95 tsubo (313.5m<sup>2</sup>) office section on one floor at a c. 26% rent increase to a new tenant.

Ichigo Office will continue to increase tenant satisfaction and the competitiveness of its assets to drive higher value for its shareholders.
