¹ The base interest rate is the offered rate corresponding to the period from the individual loan execution date to the final principal repayment date displayed on the Refinitiv screen TKFX9154 page (or the subsequent page) at 11 a.m. JST on the interest determination date plus the rate corresponding to the same period (offered rate) displayed as the Euroyen TIBOR/TONA spread on Refinitiv’s JPY6ZTOBS=TKFX screen or an alternate service.

² Interest payment date is the 25th of every third month following the first interest payment date (the first payment date will be January 25, 2025 and the last payment date will be the same as the principal repayment date). In the event the interest payment date is not a business day, payment shall be made on the following business day. If the following business day falls into the following month, payment shall be made on the previous business day. Ichigo Office will announce the interest rate after it is determined on two business days before the loan date.

³ Interest payment date is the 25th of every month following the first interest payment date (the first payment date will be November 25, 2024 and the last payment date will be the same as the principal repayment date). In the event the interest payment date is not a business day, payment shall be made on the following business day. If the following business day falls into the following month, payment shall be made on the previous business day. Ichigo Office will announce the interest rate for the first period (November 11, 2024 to November 24, 2024) after it is determined on two business days before the loan date.

Note: The base rate for the loans will be JPY TIBOR as published by the Japanese Bankers Association (JBA) two business days before each interest payment date. For current JPY TIBOR rates, please visit the JBA’s website: www.jbatibor.or.jp/english/rate
