¹ The building’s current name is NKF Kawasaki Building, but the building’s name will be changed to Ichigo Kawasaki Building at acquisition.

² Appraisal value is as of August 1, 2015.

³ Acquisition price excludes incidental expenses such as property, city planning, and consumption taxes.

II. Acquisition Rationale

In the current Stage IV Increase Size & Scale (November 2014 – October 2015) of its multi-year growth strategy, Ichigo REIT is increasing dividends and growing its geographically diversified portfolio of mid-size offices, an asset class that offers both stability of returns and upside potential.

Today’s acquisition follows Ichigo REIT’s July 28, 2015 acquisitions in being earnings accretive for Ichigo REIT shareholders, and will further drive shareholder value by making full

use of Ichigo REIT's strengths in managing and adding value to office assets.

Ichigo REIT is acquiring a high-quality asset from its sponsor Ichigo Inc. ("Ichigo"), taking advantage of Ichigo's asset sourcing and warehousing capability. The acquisition will be financed by bank borrowings and cash-on-hand, and is expected to generate rental income of 92 million yen per annum.¹ Once the details of the bank financing has been determined, Ichigo will announce both those details and the full earnings per share contribution from the acquisition.

¹ Rental income is the net income calculated via the direct capitalization method by Daiwa Real Estate Appraisal Co., Ltd in its August 1, 2015 appraisal report.

III. Asset Summary

The NOI yield of the Ichigo Kawasaki Building is 6.5%, and the occupancy rate is 100% as of July 31, 2015.

A. Location

The building is located in the city of Kawasaki, just south of Tokyo and north of Yokohama. With a population of 1.4 million people, Kawasaki is one of the National Strategic Economic Zones in Kanagawa Prefecture.

Kawasaki's busiest commercial zone is centered on Kawasaki Station of the JR Line and Keikyu Kawasaki Station of the Keikyu Honsen Line. It is heavily populated in both day and night, with large numbers of commercial and business venues such as shopping malls, banks and financial institutions, and mid-sized retail and restaurants.

B. Features

This mid-size office building is a 9-minute walk from Kawasaki Station of the JR Line and Keikyu Kawasaki Station of the Keikyu Honsen Line. Companies operating nationwide are actively seeking to establish offices in the area due to its convenient access to local businesses operating in the area and to central Tokyo.

Restaurants and a beauty salon occupy the basement and first floors. The office floors are occupied by business and professional services tenants such as telecommunications firms and law offices.
